

Have you booked your room yet?

What are you waiting for?

Our Grand Master has asked that each unit in 4301 book at least one event to help support our building. We have off street parking available for your event in the rear of the building and a private entrance.

The 'All Purpose Room' (see pictures below) has beautiful hardware floors, recessed lighting and chandeliers. The room can hold up to 20 or more round and long tables and has an overall capacity of 200.

It can accommodate banquets, dinners, brunches, lunches, weddings and many other events. We also have a smaller banquet room for rental if your event does not need a large room. We have recently finished installing a fully equipped commercial kitchen and we have caterers available if needed or you can use your own.

To check available dates, rates and to discuss arrangements please call the Trustees at: **215-329-2306**

This informational page and the rental form are available on our website at: <http://www.princehall-pa.org/> under 'Quick Links' then Banquet Hall Rental.
